

*The Mediterranean Centre
of Environment is an NGO
established in 1992
by a Greek and French team
committed to promote
human activities that
value the environment and
culture in different regions
of the Mediterranean and
the Balkans.*

Our 3 key areas of action

Transnational partnerships to assist local sustainable development through projects delivered by the **Mediterranean Centre of Environment**

Responsible rural tourism initiatives run by, and for, local stakeholders, with the support from **Alternative Routes in Greece**

ΕΠΙΓΝΩΣΗ

Learning programmes to prepare young people and help professionals to work towards sustainable development, with **Epignosi – Learning & Training**
