

68,000 km of coastline

degradation of coastal ecosystems,
increase of artificialized coastal areas,
sea-level rise...

YOUR COASTLINE NEEDS A VOICE!

24 young people - **4** countries

2 training workshops - **2** campuses

1 European awareness-raising campaign

MAY - OCTOBER 2013

France, Greece, Italy, United-Kingdom

YOUR COASTLINE NEEDS A VOICE!

The YES! Project is open to all young people living in Europe who are:
interested in the sustainable development of Europe's coastlines
interested in using/learning new technologies promoting the environment
who want to take part as eco-citizens in a European project.

Join an international group of volunteers and participate in several hands-on activities, culminating in the launch of a European awareness-raising campaign giving young people a say on the future of Europe's coastlines:

2 trainings workshops

20-21 May 2013 – Italy: Alba

Environmental communication: How to build an effective information campaign?
How to create a catchy slogan?

30-31 May 2013 – Greece: Athens - Pireaus

Using new technologies for an awareness-raising campaign on the future of Europe's coastlines: video, creation of an interactive website

2 campuses

24 August – 14 September – United-Kingdom : Solway Firth

Sustainable development and conservation in the Solway Firth

9-27 September 2013 – France: Côte bleue

Promoting the heritage of the Côte bleue to raise visitor awareness about the future of the coastline

Conditions of participation: 18-30 years old – good working knowledge of English – Interest in environment and/or communication, new technologies, video – Commitment to take part in the whole process (May – October 2013)
